

Circus

KIDZ BOP Kids

There's only two types of people in the world
The ones that entertain and the ones that observe
Well, baby I'm a put-on-a-show kind of girl
Don't like the backseat, gotta be first I'm like a ringleader, I call the shots
I'm like a firecracker, I make it hot
When I put on a show I feel the adrenaline moving through my veins
Spotlight on me and I'm ready to break
I'm like a performer, the dance floor is my stage
Better be ready, hope that you feel the same All the eyes on me in the center of the ring just like a circus
When I crack that whip everybody gonna trip just like a circus
Don't sit there watching me, follow me, show me what you can do
Everybody let go, we can make a dance floor just like a circus There's only two types of guys out there
Ones that can hang with me and ones that are scared
So baby I hope that you came prepared
I run a tight ship so beware I'm like a ringleader, I call the shots
I'm like a firecracker, I make it hot
When I put on a show I feel the adrenaline moving through my veins
Spotlight on me and I'm ready to break
I'm like a performer, the dance floor is my stage
Better be ready, hope that you feel the same All the eyes on me in the center of the ring just like a circus
When I crack that whip everybody gonna trip just like a circus
Don't sit there watching me, follow me, show me what you can do
Everybody let go, we can make a dance floor just like a circus Let's go, like a what? All the eyes on me in the
center of the ring just like a circus
When I crack that whip everybody gonna trip just like a circus
Don't sit there watching me follow me show me what you can do
Everybody let go, we can make a dance floor just like a circus All the eyes on me in the center of the ring just
like a circus
When I crack that whip everybody gonna trip just like a circus
Don't sit there watching me follow me show me what you can do
Everybody let go, we can make a dance floor just like a circus
