

How You Love Me Now

Hey Monday

Whoa, whoa
Whoa, whoa
Whoa, whoa
Whoa, whoa You were talking to her
But messing with me
It's finally clear
You're blurring the lines Are you disturbed?
Oh, now you care
Why do you race
Through my red lights? Can't understand?
I'll slow it down for you Tell me, how can you sleep?
How can you breathe?
Baby, tell me how
How you love me now
(Whoa, whoa) Tell me, how can you sleep?
How can you breathe?
I hate when you say
How you love me now
(Whoa, whoa) Save, save it for her
I'm not gonna hear
Your reasons and
Please-just-take-me-backs We never were right
Don't waste your breath
You crashed and you're
On your own tonight Can't understand?
I'll slow it down for you Tell me, how can you sleep?
How can you breathe?
Baby, tell me how
How you love me now
(Whoa, whoa) Tell me, how can you sleep?
How can you breathe?
I hate when you say
How you love me now
(Whoa, whoa) Lights out, I found out
My falling star
Goodbye, the sun rises here
There's no more you and I Whoa, whoa
Whoa, whoa
Whoa, whoa

Whoa, whoa Tell me, how can you sleep?
How can you breathe?
Baby, tell me how
How you love me now
(Whoa, whoa) Tell me, how can you sleep?
How can you breathe?
I hate when you say
How you love me now How you love me now
(Whoa, whoa)
(Whoa, whoa)
How you love me now
(Whoa, whoa)
(Whoa, whoa)
