

Joie de vivre

Greenslade

Blue dawnrise from starlit skies
First life wakes in mud-rich lakes
Follow many
Follow none Shoreline maze of webfoot ways
We are many
We are one
We are one Earth still clings while man grows wings
Seeks his fate where new gods wait
Follow many
Follow none
Fleetwing dives claim sea spun lives
We are Many
We are one
We are one Southern skies where the condor flies
Red sunrise from the East
Bitter breast of the new found West
Spyglass guest at the feast
The feast
The feast
Vivid lights of the Northland heights
Age-old rites of the wild
Inner space of a new born race
Blue veined face of the child
The child
The child
