Love

Backyard Babies

Days go by with cigarettes
And someone put a coin in a wishing well
Lookin?at you makes me weak inside
I can stand seeing you with somebody elseSomeday when I in love
Heaven can wait for meAll I can see is your pretty face
You lookin?like a cover of a magazine
Why am I slave under the female sex
I don wanna waste my time againSomeday I in love
When Ie been drinkin?a lot of wine
I in love
Feels like heaven can wait for meIt can wait for me
And you know whyAnd Ie tried everything to cure my soul
Going down in hell with a bottle of you
Nothing can change the way I feel for her
The devil in the glass is telling me what to doSomeday I in love
When Ie been drinkin?a lot of wine
I in love
Feels like heaven can wait for meIt can waitSticks and stones can break my bones
But you can always hurt me insideCome on and love me inside
But I still waitin?Days go by with cigarettes
And someone put a coin in a wishing well
Why am I slave under the female sex
I don wanna waste my time againMaybe someday when I in love
Heaven can wait for meI in love
When Ie been drinkin?a lot of wine
I in love
Feels like heaven can wait for meI in love
Everything to kill my soul
I in love
But I don wanna waste my timeDays go by with cigarettes
And someone put a coin in a wishing well
