

Rebbe Please Know

Camp Chayolei Hamelech

Camp is at a close, I remember when I chose
Chayolei Hamelech to spend my summer days
I came here to have fun, to laugh and play with everyone
Chassidishkeit far from my mind

Dear Rebbe, look and see how Chayolei affected me
Living, acting like a chayol
The way a chossid should always be
Working hard to bring Moshiach speedily

(Chorus)

Rebbe, please know how proud we are to be
Your children, your nachas, branches on your tree
Carrying out your shlichus in everything we do
Welcoming Moshiach the way camp taught us to
(End chorus)

Camp has flown right by, I try hard not to cry
I'm leaving my home, I'm bidding it goodbye
I may go far away, in my soul you will stay
Guiding me each step of my life

To yeshiva I will go, your lessons I will show
I'll help my friends become a part of
What's already in my heart
Marching forth together on to victory

(Chorus)
