

# Hunt 4 You (feat. Pleasure P)

Teairra MarÃ-

Yea yea  
I think this one for the radio  
Yea yea  
I think this one

I'm looking 4 u that sweet incredible u  
That unforgettable u  
The u that only I can know  
Tell me what I gotta do  
The walls I gotta break thru  
That'll lead me rite back 2 u  
Cause I'm searching boy but I don't have a clue

I'm not gon stop fighting  
I'm a keep searching  
I'll go to that end of the world if I have to  
I'm gon keep trying  
As long as I'm hurting  
Tel me wut I gotta do  
Cause boy I'm on the hunt 4 u

Where u at? [x5]  
Cause boy I'm on the hunt 4 u  
Where u at? [x5]

I'm looking for u  
That irreplaceable u  
That warm embraceable u  
That walked rite out the door  
What argument can I lose  
What day can I play the fool  
Tell me boy what I gotta do (Oh baby)  
To figure out why u don't love me no more  
I'm not gon stop fighting

I'm not gon stop fighting  
I'm a keep searching  
I'll go to the end of the world if I have to  
I'm gon keep trying  
As long as I'm hurting

Tel me wut I gotta do  
Cause boy I'm on the hunt 4 u

Where u at? [x5]  
Cause boy I'm on the hunt 4 u  
Where u at? [x5]

She said I been missing 4 a minute  
But I ain't been no where  
I'm in this muh'fucka till we finish  
And we go back and forth with cursing words like it's tennis  
Cause I'm a green fiend I b out here chasing spinach  
And (and) she said "I don't want your cars I rather have your heart  
U call me your wifey baby let me play the part"  
She hates when we're apart  
She calls me up when ever I leave  
She looking out 4 me yea

I'm not gon stop fighting  
I'm a keep searching  
I'll go 2 the end of the world if I have 2  
I'm gon keep trying  
As long as I'm hurting  
Tel me what I gotta do

I'm not gon stop fighting  
I'm a keep searching

I'm gon keep trying  
As long as I'm hurting

Cause boy I'm on the hunt 4 u

Where u at? [x5]  
Cause boy I'm on the hunt 4 u  
Where u at? [x5]
