

# I Should Tell You

**Rosario Dawson Adam Pascal**

I should tell you I'm disaster  
I forget how to begin it  
Let's just make this part go faster  
I have yet to be in itI should tell you  
I should tell you  
I should tell you  
I should tell youI should tell I blew the candle out  
Just to get back in  
I'd forgotten how to smile  
Until your candle burned my skinI should tell you  
I should tell you  
I should tell you  
I should tellWell, here we go  
Now we, oh noI know this something is  
Here goes  
(Here goes)  
Guess so it's starting to  
Who knows?  
(Who knows?)Who knows where?  
Who goes there?  
Who knows?  
Here goesTrusting desire, starting to learn  
Walking through fire without a burn  
Clinging a shoulder a leap begins  
Stinging and older, asleep on pinsSo here we go  
Now we  
Oh no  
I know  
Oh noWho knows where?  
Who goes there?Here goes, here goes  
Here goes, here goes  
Here goes, here goes
