

# It's All Good

**Cher Lloyd**

Ne-Yo:

Ok, bad day got you seeing red  
Want to feel the sun on your back  
But it rained on your head instead.  
But on the bright side, despite this hassle  
Wet sand makes for a better sand castle  
Inhale, exhale, just take a breath!  
I know things don't always happen like they should  
Gotta learn how to roll with punches and just say it's all good

Choras:

Cause it's like falling down  
When everyone's watching  
In the final round  
Fight your hardest, but lose!  
It's like shouting out  
When nobody can hear you (you)  
But when it's all said and done  
It's all good, it's all good  
Oh oh oh, it's all good!

Cher Lloyd:

Woke up on the wrong side of bed  
Gotta get the work done and then some,  
I got a busy day ahead.  
But on the bright side work hard, play harder  
Tomorrow's full of laughter  
Inhale, exhale, just take a breath!  
I know things don't happen as they should, no  
Gotta learn how to roll with punches  
And just say it's all good!

Hook:

Cause it's like falling down  
  
When everyone's watching  
In the final round  
Fight your hardest, but lose!  
It's like shouting out  
When nobody can hear you (you)  
But when it's all said and done  
It's all good, it's all good

Oh oh oh, it's all good!  
It's all good  
Said it's all good  
It's all good  
Oh oh oh it's all good!  
Yeah yeah yeah yeah  
Yeah yeah yeah yeah  
Ne-Yo:  
They'll be bumps in the road  
Things will go out of control oh yeah  
But you can't let it get you down, get down  
When your rights just goes wrong  
Just often keep pushing on  
It's all good claim it here and now!  
Choras:  
Cause it's like falling down  
When everyone's watching  
In the final round  
Fight your hardest, but lose!  
It's like shouting out  
When nobody can hear you (you)  
But when it's all said and done  
It's all good, it's all good  
Oh oh oh, it's all good!  
It's all good, oh oh oh  
It's all good, it's all good!
