

U.N.I.

Ed Sheeran

I found your hairband on my bedroom floor
The only evidence that you've been here before
And I don't get waves of missing you anymore
They're more like tsunami tides in my eyes
Never getting dry so I get high smoke in the day then I sleep with the light on
Weeks pass in the blink of an eye
And I'm still drunk by the end of the night
I don't drink like everybody else
End up forgetting things about myself
I'm stubborn I'm forward head's just blocked
My head's still with you but my hearts just not So am I close to you anymore if it's over
And there's no chance that we'll work it out
That's why you and I ended over U-N-I
And I said that's fine but you're the only one that knows I lied
You and I ended over U-N-I
And I said that's fine, but you're the only one that knows I lied Everybody said that we'll be together forever but
I know that
I never wanna settle down come around break up the love like Lego now
Never wanna turn into another like you
Sleep with my thoughts dance with my views
Everything's great but everything's short
But you live in your halls and I live in a tour bus
Now I'm in position to be another stalker
And every thing I say seems to always sound awkward
Like our last kiss it was perfect but we were nervous
On the surface
And I'm always saying everyday that it was worth it
Pain is only relevant if it still hurts
I forget like an elephant or we can use a sedative
And go back to the day we fell in love on first kiss So am I close to you anymore if it's over
And there's no chance that we'll work it out
Oh you and I ended over U-N-I
And I said that's fine but you're the only one that knows I lied
You and I ended over U-N-I
And I said that's fine but you're the only one that knows I lied Because if I was gonna go somewhere I'd be
there by now
And maybe I can let myself down oh
And thinking I am unaware I keep my feet on the ground
Keep looking around to make sure I'm not the only one to feel low

Because if you want I'll take you in my arms
And keep you sheltered from all that I've done wrong
And I know you'll say that I'm the only one
But I know that god made another one of me
To love you better than I ever will 'Cause you and I ended over U-N-I
And I said that's fine but you're the only one that knows I lied
You and I ended over U-N-I
And I said that's fine but you're the only one that knows I lied
