

# Run With The Devil

## Symphony X

I'm on the run. nowhere to turn, they're on my heels  
Lost in the maze, where do I go?  
Am I insane, it's just a game of life and death  
Stay the course and ride the flow. I cross the bridge, I'm at the gates  
I'm out of breath, chasing the clock, I'm out of time.  
I hear the dogs, I feel the claws, rake down my back  
There's no escape, no peace of mind. Oh - Just hold on  
Oh - Just hold on  
I'm on my way to you...Run with the devil - Run for you life  
The truth of the moment, cuts like a knife  
Chasing a shadow - still chasing a dream.  
When it's 'do or die', you know there's no in  
Between...  
I see the fiends, they're on the move, they strike  
With fear  
Give them the slip, I duck the blade  
I knuckle-down, I roll the dice, I dance with death  
Lost in the realm of light and shade My path is weak, it falls away, I feel the heat  
The fires of hell beneath me arise.  
Caught in a trap, there's no way out, walls closing in  
Is this the hour of my demise? Oh - Just hold on  
Oh - Just hold on  
I'm on my way to you...Run with the devil - Run for you life  
The truth of the moment, cuts like a knife  
Chasing a shadow - still chasing a dream.  
When it's 'do or die', you know there's no in  
Between...  
I've searched the depths of hell to find the key  
I've wasted time - now time has wasted me...Run with the devil - Run for you life  
The truth of the moment, cuts like a knife  
Chasing a shadow - still chasing a dream.  
When it's 'do or die', you know there's no in  
Between...
