

# Make It Wit Chu

## Leo Moracchioli

You wanna know if I know why  
I can't say that I do  
Don't understand the evil eye  
Or how one becomes two  
I just can't recall what started it all  
Or how to begin the end  
I ain't here to break it, just see how far it will bend  
Again and again, again and again  
I wanna make it  
I wanna make it wit chu  
(Anytime, anywhere)  
I wanna make it  
(Again and again and again)  
I wanna make it wit chu  
Sometimes the same is different  
Mostly it's the same  
These mysteries of life  
That just ain't my thing  
If I told you that I knew  
About the sun and the moon, I'd be untrue  
The only thing I know for sure  
Is what I won't do  
Anytime, anywhere, I must say, baby  
I wanna make it  
(Again and again)  
I wanna make it wit chu  
(Anytime, anywhere)  
I wanna make it  
(Again and again)  
I wanna make it wit chu  
I wanna make it  
(Anytime, anywhere)  
I wanna make it wit chu  
I wanna make it  
(Again and again)  
I wanna make it wit chu  
I wanna make it  
(Again and again)  
I wanna make it wit chu  
I wanna make it

(Anytime, anywhere)  
I wanna make it wit chu  
I wanna make it  
(Again and again)  
I wanna make it wit chu  
(Again and again and again and again and again)  
I wanna make it
