

# Make A Man

## The Enemy

Maybe it's to early  
Maybe it's to late  
Maybe it's just around the corner  
But I don't wanna wait Maybe there's a reason  
Maybe there's a plan  
Maybe I'm heathen  
Maybe I'm mad  
It's only me hat thinks it's all a lie I woke up in world war something  
Lost my feeling I got nothing  
Make a man  
If you can  
Of this boy  
In your hands Maybe there's no reason  
Maybe there's no rhyme  
Maybe when you're on your knees  
You're wasting precious time  
Maybe it's a joke and it's on you  
Maybe you should stop and look around I woke up in world war something  
Lost my feeling I got nothing Make a man  
If you can  
Of this boy  
In your hands  
When you know it it's over  
When it's over it's over  
When you know it it's over  
When it's over it's over  
When you know it it's over  
When it's over it's over  
When you know it it's over  
When it's over it's oh  
I woke up in world war something  
Lost my feeling I got nothing
