

Oh Oh

Linkoban

Oh oh, Oh oh.
I Wanna meet man.
Wanna meet a good man.
Good man fight for a girl.
Pretty good girl go make her man want her bad.
Never gain weight. Never make ger man sad. Ten thousand miles I would go.
He isn't home.
Where is he oh no.
Is he with another good girl prettier than me, Oh OhI Wanna meet man.
Wanna meet a good man.
Good man fight for a girl.
Pretty good girl go make her man feeling good.
Make him lie down like a pretty girl should. Heaven died and sun go gone.
Girls so sad.
Don't wanna be alone.
But sad girls cry and pretty girls don't, Oh ohI will never let him go, never let him go.
I will never let him go, never let him go.
I will never let it show, never let it show.
I will never let it show, never let it show. When I think, I think about you.
When I walk, I'm walking to you.
On the internet looking for you.
When I eat I just wanna eat you. When I sleep, I'm dreaming of you.
When I talk, talk about you.
When I die, I'll be dying for you.
What can I do? I Wanna meet man.
Wanna meet a good man.
Pillow soft heart, silky smooth on the loose.
International, clever, educational.
Calm like king.
Keep the problems minimal. He is double of the trouble if I tease him.
Triple champion like a legend if I please him.
Trick him with a treat.
Do the rubbing on the back.
Throw the mist in.
Lie him down.
Then attack. Do the oh oh.
Do the bites on the lips.
Turn around slow.
Do the things whit the hips.

Throw your hair back.
Make it woosh like a whip.
Trick or treat tricks.
Make trickle like tips. Make him hot wings.
Make him eat 'til he rips.
Make him feel proud.
Make him float like ships.
Make him come home.
Don't make him mind trip.
Make him feel good.
Don't let the man slip. I Wanna meet man.
Wanna meet a good man.
Good man fight for a girl.
Pretty good girl go make her man feeling good.
Make him lie down like a pretty girl should. Heaven died and sun go gone.
Girls so sad.
Don't wanna be alone.
But sad girls cry and pretty girls don't, Oh oh I will never let him go, never let him go.
I will never let him go, never let him go.
I will never let it show, never let it show.
I will never let it show, never let it show. When I think, I think about you.
When I walk, I'm walking to you.
On the internet looking for you.
When I eat I just wanna eat you. When I sleep, I'm dreaming of you.
When I talk, talk about you.
When I die, I'll be dying for you.
What can I do? When I think, I think about you.
When I walk, I'm walking to you.
On the internet looking for you.
When I eat I just wanna eat you. When I sleep, I'm dreaming of you.
When I talk, talk about you.
When I die, I'll be dying for you.
What can I do?
