# Hard Times Blues

## Ida Cox

I never seen such a real hard times before
I never seen such a real hard times before
The wolf keeps walkin' all 'round my doorThey howl all night, and they moan till the break of day
They howl all night, and they moan till the break of day
They seem to know my good man's gone awayI can't go outside to my grocery store
I can't go outside to my grocery store
I ain't got no money, and my credit don't go no moreWon't somebody please try and find my man for me?
Won't you please try and find my man for me?
Tell him I'm broke and hungry, lonely as I can be
