

The Ending

Enemy Mind

The more you begin to investigate what we think we understand, where we came from, what we think weâ€™re doing, the more you begin to see weâ€™ve been lied to. Weâ€™ve been lied to by every institution. What makes you think for one minute that the religious institution is the only one thatâ€™s never been touched? The religious institutions in this world are at the bottom of the dirt. The religious institutions in this world are put there by the same people who gave you your government, your corrupt education, who set up your international banking cartels. Because our masters donâ€™t give a damn about you or your family. All they care about is what they have always cared about and thatâ€™s controlling the whole damn world. We have been misled away from the true and divine presence in the universe that men have called â€œGodâ€•. I donâ€™t know what God is but I know what he is. And unless and until you are prepared to look at the whole truth wherever it may go, whoever it may lead to, if you want to look the other way, or if you want to play favorites then somewhere along the lines youâ€™re gonna find out youâ€™re messing with the divine justice. The more you educate yourself, the more you understand where things come from- the more obvious things become and you begin to see lies everywhere. You have to know the truth and seek the truth and the truth will set you free.
