

Pop Lock And Drop It

Huey

 Toot that thang up mami, make it roll
 Once you pop pop, lock it for me girl get low
 If yo mama gave it to you baby girl let it show
Once you pop, lock, drop it for me maybe we could roll, ohPop, lock and drop it
 Pop, lock and drop it
 Pop, lock and drop it
 Pop, lock and drop it
 Pop, lock and drop it
 Pop, lock and drop it
 Pop, lock and drop it
Pop, lock and drop itTonight it's gon' be some changes
 No acting sady
 So stop acting and get it clappin'
'Cause I'm knowing you feeling meYeah you cute
 But don't let that sh** go to yo head
'Cause what this cutie won't do pimpin'
 Another one willYou prepared, rockin' a skirt
 And ya heels so tall
 And we ain't wit none of that tricking
 But our bills so tallI been peepin' you fo a while
 And you throwin' it back
 If you lookin' fo you a balla
We got dough in da backLook yo color Carmelo brown
 And yo skin so smooth
 I'm havin' fantasies about
What you and me can doAnd you a undacover freak
 You probably thinking da same
 I'm seein' light up on yo face
Because you peepin' my chainAnd I ain't tryna put you out there
 As if you a freak
 So don't even take it that way
Jus' say you did it fo' meAnd yeah you probably roll wit me
 'Cause it's money in my pockets
 So before then
I gotta see you pop, lock and drop itToot that thang up mami, make it roll
 Once you pop pop, lock it for me girl get low
 If yo mama gave it to you baby girl let it show
Once you pop, lock, drop it for me maybe we could roll, ohPop, lock and drop it
 Pop, lock and drop it

Pop, lock and drop it
Pop, lock and drop it
Pop, lock and drop it
Pop, lock and drop it
Pop, lock and drop it
Pop, lock and drop itI ain't gotta be yo man
But I really wouldn't mind
We ain't got to talk again
I'm jus tryna have a timeIf you a balla pull a stack out
And slap her on da ayyy
Pop lockin' cock blockas
Get up out da wayLet lil' mami get low
Give her space, let her sweat
The club turnin' to Hooters
'Cause they shirts is so wetFrom da window to da wall
Lil' mama showin' her thong
The broad freakin' herself
It's tellin' me that it's onYou ready then we can roll
I'm tellin' you we could go
I'm thinkin' if I can handle it
The way you make it rollYou groovin' and speedin' up
You right in between us
If you a stripteasa
Then baby don't tease usAt first I thought I was trippin'
But my vision gettin' clearer
You moving that thang around
As if you practice in da mirrorShe doin' a new dance
What the next man said
I'm like naw
She just pop locking on a headstandToot that thang up mami, make it roll
Once you pop pop, lock it for me girl get low
If yo mama gave it to you baby girl let it show
Once you pop, lock, drop it for me maybe we could roll, ohPop, lock and drop it
Pop, lock and drop it
Pop, lock and drop it
Pop, lock and drop it
Pop, lock and drop it
Pop, lock and drop it
Pop, lock and drop it
Pop, lock and drop itMake it roll to da left, left
Roll to da right, right
Pop, lock and drop it
Get low a'ightMake it roll to da left, left
Roll to da right, right
Pop, lock and drop it

Get low a'ightIt ain't tricking if you got it
We got it but I ain't givin'
Just bounce it and roll wit it
And maybe you'll roll wit usIt ain't tricking if you got it
We got it and I ain't givin'
Just bounce it and roll wit it
And maybe you'll roll wit usPop, lock and drop it
Now pop, lock and drop it fo me
Pop, lock and drop it
Say pop, lock and drop itNow what's yo name girl?
Neva mind, neva mind
Do you thang girl fire
You ain't neva liedWhat's yo name girl?
Neva mind, neva mind
Do you thang girl fire
You ain't neva lied, oh
