

# Straight Up

## Sparkle

1 - I'm telling you straight up  
I'm loving him  
I'm telling you straight up  
I think about him Sitting here wondering how  
How I'm gonna let you down  
This love affair has lost it's touch somehow  
Isn't it funny how some things could change  
Don't mean to hurt you, boy  
In him is where I found my joy, joy A.M., I'm taking the red eye  
Boy, separate ways is what I feel  
It's time I let you know the real Repeat 1 I'm sorry for all the things I put you through  
I didn't mean to waste your time  
Just take a look and you will find  
The smile is not the same  
Baby, don't take it personal  
Keep your head about it  
This wasn't meant to confess, whoa A.M. I'm taking the red eye  
Boy, separate ways is what I feel  
It's time I let you know the real Repeat 1 All I do  
Is think about him  
All I do  
Is think about him Repeat 1 until fade
