

# All I Have (feat. LL Cool J)

Jennifer Lopez

Love is life and life is living  
It's very special  
All my love Oh  
(Baby, don't go)  
(Baby, don't go) Yeah  
(Baby, don't go, uh)  
(Baby, don't go) Yeah  
(Baby, don't go)  
(Baby, don't go) Yeah, yeah  
(Why you act like that?) It's such a shame, but I'm leaving  
Can't take the way you mistreated me  
And it's crazy, but oh, baby  
It don't matter, whatever, don't phase me I don't believe you wanna leave like this  
I don't believe I just had my last real kiss  
I do believe we'll laugh and reminisce  
Wait a minute, don't bounce, baby let's talk about this, man Well, I'm bouncing and I'm out, son  
I gotta leave you alone 'Cause I'm good holding down my spot  
And I'm good reppin' the girls on the block  
And I'm good, I got this thing on lock  
So without me you'll be fine, right All my pride is all I have  
(Pride is what you had, baby girl, I'm what you have)  
You'll be needing me, but too bad  
(Be easy, don't make decisions when you mad)  
The path you chose to run alone  
(I know you're independent, you can make it on your own)  
Here with me you had a home, oh, yeah  
(But time is of the essence, why spend it alone, huh) The nights I waited up for you (oh, boy)  
Promises you made about coming through  
So much time you wasted  
That's why I had to replace you It makes a cat nervous, the thought of settling down  
Especially me, I was creeping all over town  
I thought my tender touch could lock you down  
I knew I had you, as cocky as it sounds  
The way you used to giggle right before I put it down  
It's better when you angry, come here, I'll prove it now, come here Stop playing you gamin'  
I gotta leave you alone 'Cause I'm good holding down my spot (stop acting like that)  
And I'm good reppin' the girls on the block (now you know you need to stop)  
And I'm good, I got this thing on lock  
So without me you'll be fine, right (here we go) All my pride is all I have

(Pride is what you had, baby girl, I'm what you have)  
You'll be needing me, but too bad  
(Be easy, don't make decisions when you mad)  
The path you chose to run alone  
(I know you're independent, you can make it on your own)  
Here with me you had a home  
But time is of the essence, why spend it alone, huh  
People make mistakes to make up, to break up  
To wake up cold and lonely, chill, baby, you know me  
You love me, I'm like your homey  
Instead of beef you come hold me  
I promise I'm not a phony  
Don't bounce, baby, console me, come here  
Ain't nothing you can say to me that can change my mind  
I gotta let you go now  
And nothing will ever be the same, so just be on your way  
Go ahead and do your thing now  
And there's no more to explain to me, you know  
I know your game and I'm feeling what you do  
So I'm bouncing and I'm out, son  
I gotta leave you alone, yeah, yeah  
All my pride is all I have  
(Pride is what you had, baby girl, I'm what you have)  
You'll be needing me, but too bad  
(Be easy, don't make decisions when you mad)  
The path you chose to run alone  
(I know you're independent, you can make it on your own)  
Here with me you had a home, oh, yeah  
(But time is of the essence, why spend it alone, huh)  
All my pride is all I have  
(Pride is what you had, baby girl, I'm what you have)  
You'll be needing me, but too bad  
(Be easy, don't make decisions when you mad)  
The path you chose to run alone  
(I know you're independent, you can make it on your own)  
Here with me you had a home, oh, yeah  
(But time is of the essence, why spend it alone, huh)  
I promise you  
You know what I'm sayin'
