

# Come Thru (feat. Schy Keeton)

## Daz Dillinger

If she looks like you, she can come thru  
Feels like you, she can come thru  
If she freaky like you, she can come thru  
Getting money like you, she can come thru.  
I can't wait to say I take it all over  
So hop in the back seat so we can get low,  
Money to burn and I'll spend it on you,  
So come out to spot and then I'll play it with you  
So come thru  
Welcome to the home of the sunshine  
Bitches checking nigger, who'll be getting a big bottle by.  
Pull up in the zone, tell em to that lay my cup  
Yeah I do real big, a motherfucker superstar  
I just come to shop and ball I do this every day  
Spot a couple bitches, point it at them, tell em let's go  
Tell 'em there's a party at my crib and if they wanna go if she looks like you, she can come thru  
Feels like you, she can come thru  
If she freaky like you, she can come thru  
Getting money like you, she can come thru.  
I can't wait to say I take it all over  
So hop in the back seat so we can get low,  
Money to burn and I'll spend it on you,  
So come out to spot and then I'll play it with you.  
Let me show you how to get down, see, we don't play over jam,  
That's two shots over town, pretty women laying it down,  
We invite the baddest like they belong in patches,  
Molly, weed and looky, yeah, party is a habit.  
She giving me that preview lights can't see through  
Dollar peace red bull, damn is bad to meet you  
Body like the glass shape, you know she shake it this way  
Girl with a cute face say she  
If she looks like you, she can come thru  
Feels like you, she can come thru  
If she freaky like you, she can come thru  
Getting money like you, she can come thru.  
I can't wait to say I take it all over  
So hop in the back seat so we can get low,  
Money to burn and I'll spend it on you,  
So come out to spot and then I'll play it with you
