

Take Me Home

[Bryce Vine](#)

I was like, excuse me and my awkward approach
I just noticed you were running out of rum in your coke
And I was hoping I could interest you in witty reppore
And if you're game we could kick it like your keeping the score
You're, so exotic in all of the right ways
Eyes like green diamonds, skin a Milan beige
Hair's a black currant that matches your style great
With a jacket you bought from Urban and your pretty bird chain
She said I look mixed
I said,
