

# Delayed Reaction Brats

## Guided By Voices

Innocent or sweet  
Shooting missiles in the street  
They are deceiving  
Seeing isn't hard but not believing  
You've got the right to bite  
The hind that feeds you  
Delayed reaction brats  
With all your multicolored hats  
Are you excited?  
But what's been building up  
To be ignited?  
You've got the right to fight  
The hind that bleeds you, needs you
