

# Mordred's Song. (2007 Digital Remaster)

## Blind Guardian

I've lost my battle before it starts  
My first breath wasn't done  
My spirit's sunken deep into the ground  
Why am I alone?  
I can hear my heartbeat  
Silence's all aroundSee hat will rise  
So don't come closer  
Fear your child  
Born with a king's heart  
But fate fooled me and changed my cards  
No one asked if I want it if I like itPain inside is rising  
I am the fallen one  
A figure in an old game  
No Joker's on my side  
I plunged into misery  
I'll turn off the light  
And murder the dawn  
Turn off the light  
And murder the dawnNothing else  
But laughter is around me  
Forevermore  
No one can heal me  
Nothing can save me  
No one can heal meI've gone beyond the truth  
It's just another lie  
Wash away the blood on my hands  
My father's blood  
In agony we're unified  
I never wanted to be  
What they told me to be  
Fulfill my fate then I'll be free  
God knows how long  
I tried to change fatePain inside is rising  
I am the fallen one  
A figure in an old game  
No Joker's on my sideI plunged into misery  
I'll turn off the light  
And murder the dawn  
Turn off the light

And murder the dawn I plunged into misery  
I'll turn off the light  
And murder the dawn  
Turn off the light  
And murder the dawn
