Out Tonight (Mark!'s Redux Club Remix Edit)

Rent

What's the time?
Well it's gotta be close to midnight
My body's talking to me
It says, Time for dangerIt says, I wanna commit a crime
Wanna be the cause of a fight
I wanna put on a tight skirt
And flirt with a strangerI've had a knack from way back
At breaking the rules once I learn the games
Get up! Life's too quick, I know someplace sick
Where this chick'll dance in the flamesWe don't need any money
I always get in for free
You can get in too
If you get in with meLet's go out tonight
I have to go out tonight
You wanna play? Let's run away
We won't be back before it's New Year's Day
Take me out tonight, meowWhen I get a wink from the doorman
Do you know how lucky you'll be?
That you're on line with the feline
Of Avenue BLet's go out tonight
I have to go out tonight
You wanna prowl, be my night owl?
Well take my hand we're gonna howl
Out tonightIn the evening I've got to roam
Can't sleep in the city of neon and chrome
Feels too damn much like home
When the Spanish babies crySo let's find a bar
So dark we forget who we are
Where all the scars
From the nevers and maybes dieLet's go out tonight
I have to go out tonight
You're sweet, wanna hit the street?
Wanna wail at the moon like a cat in heat?
Just take me out tonightPlease take me out tonight
Don't forsake me, out tonight
I'll let you make me out tonight
Tonight, tonight, tonight
