Killing Of A Flash Boy

Suede

All the white kids shuffle to the heavy metal stutter and go
Shaking on the scene like killing machines and they know
When she's stacked up top she?s the sucker for the shotgun show
Shaking obscene like killing machines, here we go
It's the same old show
He's a killer he's a flash boy, oh
He's a killer he's a flash boy, oh, oh, oh
Shake your fake tan thru aerosol land and you'll know
That you'll suffer for your sex by the caravanettes, oh, no
And that shitter with the pout won't be putting it about no more
Oh, shaking obscene like a killing machine here we go
It's the same old show
He's a killer he's a flash boy, oh
He's a killer he's a flash boy, oh, oh, oh
It's the same old show

He's a killer he's a flash boy, oh
This is the killing of a flash boy, oh, oh, oh
And Athena loves your body
So think of the sea, my baby
Think of the sea as you murder me
Think of the sea, my baby
Think of the sea as you murder me
Murder me, murder me, murder me
Same old show
He's a killer he's a flash boy, oh
This is the killing of a flash boy, oh, oh, oh
It's the same old show
He's a killer he's a flash boy, oh
This is the killing of a flash boy, oh, oh, oh
