In The Stone

EWF

I found that love provides the key
Unlocks the heart and souls of you and me
Love will learn to sing your song, yeah
Love is written in the stoneEvery man I meet is walking time
Free to wander past his conscious mind
Love will come and take you home, yeah
Love is written in the stoneDo you believe my friend in what you claim?
People of the world all doubt the same
Bringing questions of their own, yeah
Truth is written in the stoneIn the stone you'll find the meaning
You're not standing tall
In the stone the light is shining
Forever touching allLife experience a passing day
Time will witness what the ol' folks say
Getting stronger every day
Strength is written in the stoneDeep inside your heart for you to keep
Lies a spark of light that never sleeps
The greatest love you've ever known
Now is written in the stoneIn the stone, you'll find the meaning
You're not standing tall
In the stone the light is shining
Forever touching allNever, never my darling
Never you'll be alone
Never, never my darling
Never you'll be alone
Ever, forever my darling
True love is written in the stoneNever, never my darling
Never you'll be alone
Ever, forever my darling
True love is written in the stoneNever, never my darling
Never you'll be alone
Ever, forever my darling
True love is written in the stoneNever
Ever
Written in the stoneNever
Written in the stoneNever
