

# I Know What Boys Like

## Pure Sugar

Ah, yeah, ah, ah  
Ah, yeah, ah  
I know what boys like  
I know what guys want  
I've got what boys like (ah)  
I know what boys like, I know what guys want  
I see them looking  
I make them want me  
I like to tease them  
They wanna touch me, and I never let them  
I know what boys like, I know what guys want  
I know what boys like, boys like  
Boys like me  
Aren't you just special?  
I might let you  
You're so much different  
I might let you  
Ooh, and would you like that?  
I might let you  
I really want to  
I will let you  
I know what boys like, I know what guys want  
I've got what boys like  
I know what boys like, I know what guys want  
They talk about me  
I've got what cat moves, let so upset them  
Surprising waters flow until the straightness  
They get so angry like funny children  
Deny their candy- I laugh right at them  
I know what boys like, I know what guys want  
I know what boys like, boys like  
Boys like me  
Na na na na, na na na na  
I feel sad now  
I will let you  
Sorry I teased you  
I will let you  
I really want to  
You can trust me

How would you like it?  
You can trust me  
Yeah  
I know what boys like, I know what guys want  
I know what boys like, boys like  
Boys like me  
Ooh-ooh  
Na na na na na na, na na na na na  
Na na na na na na, na na na na na na  
Na na na na na na, na na na na na  
I know what boys like  
Na na na na na, na na na na na na  
Na na na na  
I know what boys like  
Na na na, na na na na  
Oh boy, oh-oh-oh oh-oh-oh  
Na na na na na  
I know what boys like
