

Working Man

Rush

I get up at seven, yeah
And I go to work at nine
I got no time for livin'
Yes, I'm workin' all the timeIt seems to me
I could live my life
A lot better than I think I am
I guess that's why they call me
They call me the workin' manThey call me the workin' man
I guess that's what I am'Cause I get home at five o'clock
And I take myself out a ice, cold beer
Always seem to be wond'rin'
Why there's nothin' goin' down hereIt seems to me
I could live my life
A lot better than I think I am
I guess that's why they call me
The workin' manThey call me the workin' man
I guess that's what I amWell they call me the workin' man
I guess that's what I amI get up at seven, yeah
And I go to work at nine
I got no time for livin'
Yes, I'm workin' all the timeIt seems to me
I could live my life
A lot better than I think I am
I guess that's why they call me
They call me the workin' manWell they call me the workin' man
I guess that's what I amThey call me the workin' man
I guess that's what I am
