Pleads And Postcards

The Red Jumpsuit Apparatus

I need this
Is it a good time for you
And if it's not just know
I may not be here when you need me

Sometimes I feel like I would die without you
And if it's too early don't worry when I say I'm sorry now
Hang on to this moment
It will be all over soon

[Chorus:]
Cause I know you'll wait for me
You'll wait for me 'til I get home
Yes, I know you'll wait for me
You'll wait for me 'til I get home

Is this what life is supposed to be about?
Sometimes it's hard, but I will help you understand it somehow
The only thing that I want from you is trust
Together we will make it through this world
We must

Hang on to this moment
It will be all over soon

[Chorus]

But if I should fall
Then you should move on
All eyes watch out for you from up above
Now don't take this wrong
But you should move on
All eyes watch over you from up above

This could be the last time that I speak with you
Just in case let's make the best of what we have until it's through

[Chorus]
