

The Ornament

[dredg](#)

Well I've been aching for someone
I barely met
and I've been begging for something
I'll never get
and I've been tracing the footsteps
of fallen men
hoping to fill this void withinrefrain:
but I'm here all alone again
here all alone again
here all alone again
hoping to fill this void within
within (2x)well I've been chasing the impossible
and I've been floating around this world
wondering why I'm still in orbit
choking on the fumes up here
choking on the fumes again(refrain)
