

# Time To Say Goodbye

## Celtic Woman

When I am alone I sit and dream  
And when i dream the words are missing.  
Yes I know that in a room so full of light  
That all the lights are missing.  
But I don't see you with me, with me.  
Close up the windows  
bring the sun to  
My room through the door you've opened.  
Close inside of me the light you see  
That you met in the darknessTime to say goodbye.  
Horizons are never far  
And I have to find them alone  
Without your light.  
On my own with you  
I will go on ships over seas  
That I not know  
Now they don't exist anymore  
It's time to say goodbyeWhen you were so far away  
I sat alone and dreamt of the horizon  
Then I knew that you were here with me, with me.  
Building bridges over land and sea  
Shine a blinding light for you and me to see  
For us to be.Time to say goodbye  
Horizons are never far  
And I have to find them alone  
Without your light  
On my own with you  
I will go on ships over seas  
That I now know  
Now they don't exist anymore  
Without your light.  
On my own with you  
I will go  
On ships over seas  
That I now know  
Now they don't exist anymore  
Without your light  
On my own with you

I will goBridge...You with me
