

Main Jahaan Ragoon (From "Namastey London")

Rahat Fateh Ali Khan

Main jahaan ragoon main kahin bhi hoon
teri yaad saaath hai
main jahaan ragoon main kahin bhi hoon
teri yaad saaath hai
kisi se kahoon ke nahi kahoon
ye jo dil ki baat haiKehne ko saath apne ek duniya chalti hai
per chhup ke is dil mein tanhaai palti hai
bas yaad saath hai
teri yaad saath hai
teri yaad saath hai
teri yaad saath hai
main jahaan ragoon main kahin bhi hoon
teri yaad saaath haiKahin to dil mein yaadon ki ek sooli gad jaati hai
kahin har ek tasveer bahut hi dhundhli pad jaati hai
koi nai duniya ke naye rangon mein khush rehta hai
koi sab kuchh paa ke bhi ye man hi man kehta hai
kehne ko saath apne ek duniya chalti hai
per chhup ke is dil mein tanhaai palti hai
Bas yaad saath hai
teri yaad saath hai
teri yaad saath hai
teri yaad saath haiKahin to beete kal ki jade dil mein hi utar jaati hain
kahin jo dhaage toote to malaayein bhikar jaati hain
koi dil mein jagah nayi baaton ke liye rakhta hai
koi apni palkon par yaadon ke diye rakhta hai
kehne ko saath apne ek duniya chalti hai
per chhup ke is dil mein tanhaai palti hai
