

# Girls Just Wanna Have Fun

Cyndi Lauper

I come home in the morning light  
My mother says when you gonna live your life right  
    Oh mother dear we're not the fortunate ones  
        And girls they want to have fun  
Oh girls just want to have funThe phone rings in the middle of the night  
    My father yells what you gonna do with your life  
        Oh daddy dear you know you're still number one  
            But girls they want to have fun  
Oh girls just want to have -That's all they really want  
    Some fun  
        When the working day is done  
            Girls - they want to have fun  
Oh girls just want to have funSome boys take a beautiful girl  
    And hide her away from the rest of the world  
        I want to be the one to walk in the sun  
            Oh girls they want to have fun  
Oh girls just want to haveThat's all they really want  
    Some fun  
        When the working day is done  
            Girls - they want to have fun  
            Oh girls just want to have fun  
                They want to have fun
