

Doorbell (Prod. by Troy Taylor)

Trey Songz

Ding dong, ding dong
Ding dong, ding dong
Ding dong, ding dong
Ding dong Guess who's coming to dinner tonight?
You're gon' be a part of my meal tonight
Delay the body, baby, I wanna bite
Trenchcoat over that skin tonight Baby, it's not a mystery
I want you on top and kissing me
'Cause I've been waiting all night long
To get your love, let's get it on I want you baby
I said you, baby
Tonight, your look
Got a nigga' so ready, yeah
Put my lips all over you
Wanna put on a show for you
This bedroom is my Colosseum
Ring my bell, I'll let you in I'mma get you naked, baby
My love will drive you crazy
Let's dance slow and
Baby, you gon' know when you ring
My doorbell, my doorbell Ding dong, ding dong
(You want that?)
Ding dong, ding dong Guess who's coming to breakfast today?
Prancing all around with them pretty legs
When it's sunny side up, I'll beat it like some eggs
'Cause ain't nothin' better than morning sex
Girl, it ain't a mystery
I want your lips kissing me
'Cause I've been waiting all day long
And I'm gon' tear your body up I want you, baby
Damn right, I said you, baby
Right now
Girl, you got a nigga' so horny Put my tongue all over you
I wanna put on a show for you
This bedroom is my Colosseum
Ring my bell, I'll let you in I'mma get you naked, baby
My love will drive you crazy
Let's dance slow and
Baby you gon' know when you ring My doorbell, my doorbell

Ding dong, ding dong
(You want that?)
Ding dong, ding dong Girl, I pull up the gate, baby, don't be late
'Cause I've been waiting all this time for you
(All this time for you)
And baby, when you pull up to the drive way
And walk your way up the stairs
Push that button and ring my bell I'mma get you naked
My love will drive you crazy
Let's dance slow and
Baby, you gon' know when you ring
When you ring My doorbell, my doorbell
Ding dong, ding dong
(You want that?)
Ding dong, ding dong I'mma get you naked
My love will drive you crazy
Let's dance slow and
Baby, you gon' know when you ring My doorbell, my doorbell
Ding dong, ding dong
Ding dong, ding dong
