Three Weeks

Brave Combo

I'm not alive on sunday
No one else is anyway
You can have my monday
I'm not in the mood to play
You can have my tuesday
See, you just get in the way
Even wednesday-thursday
They're both about the same
If I'm not too tired
Friday's usually okay
But no matter what
I have fun on saturday!Love to mow the yard
Fixin' up the car
Shop at my favorite store
Paint the bathroom door
Take the kids to the park
Stay out past dark
Drink and eat all night
T.v. till broad daylight - daylight!Repeat twicePlay it timmy!
