nEXt (feat. Kid Ink) - Remix

Sevyn Streeter

Together, forever
I would never, never let you go
See now soon as we say that, we at war
Surrender, somethin' we don't know
Something between us, certain fire in our love,
Its unreleasable, unbelievable
We're miserable apart, but together it's so hard
All I need to know, ohh all I need to knowHow can my ex boyfriend be my next boyfriend
My ex boyfriend be my next boyfriend
How can my ex boyfriend be my next boyfriend
I need to know, whooaahooah ohhMhmm, every time we break up
We turn around and we make up
Momma wonder when I'm gonna wake up
But he love my face with no make-up
And every time I call him
We end up having a problem
And I know we'll probably never solve it
Hmmm, but damn I really love himSomething between us, certain fire in our love
It's unreleasable, unbelievable
We're miserable apart, but together it's so hard
All I need to know, ohh all I need to knowHow can my ex boyfriend be my next boyfriend
My ex boyfriend be my next boyfriend
How can my ex boyfriend be my next boyfriend
I need to know whoa oh oohh ooh oh, ohI leave him, go back to him, then leave him, again
What we doin', I wish I knew it, I really don't understand
He love me, he love me not, what the hell we doin'
I need to know ah, I need to know whoa ohHow can my ex boyfriend be my next boyfriend
My ex boyfriend be my next boyfriend
How can my ex boyfriend be my next boyfriend
I need to know, whoa oh oh
