Lego House

Ed Sheeran

I'm gonna pick up the pieces,

And build a Lego house

If things go wrong we can knock it downMy three words have two meanings,

There's one thing on my mind

It's all for youAnd it's dark in a cold December, but I've got you to keep me warm

If you're broken I will mend you and I'll keep you sheltered from the storm that's raging on nowI'm out of

touch, I'm out of luck

I'll pick you up when you're getting down

And out of all these things I've done I think I love you better now

I'm out of sight, I'm out of mind

I'll do it all for you in time

And out of all these things I've done I think I love you better nowI'm gonna paint you by numbers

And color you in

If things go right we can frame it and put you on a wallAnd it's so hard to say it but I've been there before

Now I'll surrender up my heart

And swap it for yoursI'm out of touch, I'm out of love

I'll pick you up when you're getting down

And out of all these things I've done I think I love you better now

I'm out of sight, I'm out of mind

I'll do it all for you in time

And out of all these things I've done I think I love you betterDon't hold me down

I think my braces are breaking, and it's more than I can takeAnd it's dark in a cold December, but I've got you to keep me warm

If you're broken I will mend you and I'll keep you sheltered from the storm that's raging on nowI'm out of touch, I'm out of love

I'll pick you up when you're getting down

And out of all these things I've done I think I love you better now

I'm out of sight, I'm out of mind

I'll do it all for you in time

And out of all these things I've done I think I love you better nowI'm out of touch, I'm out of luck

I'll pick you up when you're getting down

And out of all these things I've done I think I love you better now

I'm out of sight, I'm out of mind

I'll do it all for you in time

And out of all these things I've done I think I love you better nowI'm out of touch, I'm out of luck

I'll pick you up when you're getting down

And out of all these things I've done I will love you better now
