Long Way Back

Lilly Wood & The Prick

I got no plan to fix
All of your problems
Man all man don't get em
On nerves like that
And why is it that everybody thinks
We're gone be alright
And we're playing all day all,
Day and all nightIt's a long way back
It's a long way backWhy do they keep on telling me,
All this fiction to see
Do I look, do I look like
Calling up like them, like them
And why they telling all
The children this horrible things
While they forgot to say that
This gone hurt it's dayIt's a long way back
It's a long way back
