

The Burning Red

Machine Head

I see the sun begin to rise
And I'm blinded too
I've seen the world from jaded eyes
That I'm crying through
I watch the darkness hypnotize
And can't fight it Hold on I'm falling
Can't breathe anymore
An ocean has opened
These scars need to heal over Caress the needle prick in my eye
The tears fell like rain
I've rode the phoenix as she glides
And I've gone insane
I've seen the light of suicide
And I'm dying Hold on I'm falling
Can't breathe anymore
And the Ocean has opened
These Scars need to heal over Hold on I'm falling
can't breathe...
breathe... Colder and colder
Just hold onto me hoohhhh.....
