

It Don't Matter Anymore

Jason Collett

It don't matter anymore
Who's keeping score?
 Nobody wins
When the hurtin' stones begin
 I'm too tired
 Tonight
 I'm too tired to fight
 I'm too tired to try
 To make you feel like
Everything would be alright
It don't matter anymore
 The sinner or the sin
 Or which direction
 The wind is blowin' in
 There's no light
There's no light
Lifting your eyes
 No time left to change
There's no time left to change
 No time left to change
Your mind
It don't matter anymore
 It don't matter anymore
 You know it's the end
 So the hurtin' stones begin
