

# Peace

## Stacy Epps

Memories unfold  
Search the past to times of wonder  
    Never growing old  
Once we had peace, such peace  
    Seasons come and go  
Every man's a child to someone  
    Learning as we grow  
Love and you'll live, forgive  
    Conquest transgress  
    Purgatory  
    Lift us onward  
    Trust in glory
