Deathwish(This isn't for your eyes)
your a victim
a victim of fate
you left the world
the world of pain
you found a solution
esacape from this horror
you left the one
the one you love
she was your light
the light of your life
but on this day
the day of hate
she lost her beauty
she lost her smile
now she couldn't live without machines
she nearly died she wish's she has
she couldn't move
she couldn't speak
she couldn't see
she couldn't feelChorus:
The pain in her eyes
the pain in her mind
she can't live
she can't die
she is trapped in a cage of death
The pain in her eyes
the pain in her mind
she can't live
she can't die
she is forced to stay alive
The pain in her eyes
the pain in her mind
she can't live
she can't die
she is trapped in a cage of deathshe was your light
the light of your life
but on this day
the day of hate

she lost her beauty
she lost her smile
now she couldn't live without machines
she nearly died she wish's she has
she couldn't move
she couldn't speak
she couldn't see
she couldn't feel
