The Evil Eye

Gino Vannelli

Who's that a-knockin' at my door tonight?
Leave me alone 'til there's morning lightYou live and learn, you make mistakes
You can't imagine why
The fire burns for heaven's sake
Look out for the evil eyeWho was that damsel with that wicked stare?
Get off my case and take your sins elsewhereYou love and learn, you cross that bridge
You want to pacify
The tables turn and you've dug your ditch
Look out for the evil eyeOh look out!
Oh look out!
I said look out!
I said look out!You live and learn, you make mistakes
You wonder how and why
The fire burns for heaven's sake
Look out for the evil eyeOh look out!
Oh look out!
I said look out!
I said look out!
