# Love 2 Baby

## Christian TV

L-l-l-love 2 baby
I, I don't know
What you do when you do it?
But I know what I likeYou, you're a freak on a leash when you move it
Let it all out tonight
Come baby, come baby, gimme some more
You can ride, you can ride baby, down on the floorWe can do it all night
You know that I'd love 2 baby
If you wanna leave on the lights
You know that I'd love 2 babyWe can shake it on the dance floor
Come on baby, let's go crazy
If you wanna freak it some more
You know that I'd love 2 babyLove 2 baby
Oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh
L-l-l-love 2 babyStop, let the bass drop and rock to the music
Girl, you mess with my mind
Dance baby, you've got that body, now use it
Work it on me tonightRock baby, rock baby
Down on the floor
To the top, to the top baby
Gimme some moreWe can do it all night
You know that I'd love 2 baby
If you wanna leave on the lights
You know that I'd love 2 babyWe can shake it on the dance floor
Come on baby, let's go crazy
If you wanna freak it some more
You know that I'd love 2 babyLove 2 baby
Oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh
L-l-l-love 2 babyI'd love 2 baby

(Baby, baby, baby)We can do it all night
You know that I'd love 2 baby
