

# Maude's Blues (Losing Is an Easy Game)

## Ian & Sylvia

Losinâ€™ is an easy game

Yes losinâ€™ is an easy game

Oh itâ€™s so easy to fall and itâ€™s so hard to climb

Pretty soon youâ€™re fallinâ€™ all of the time

Yes losinâ€™ is an easy game

Oh what can a loser do?

Yes what can a loser do?

Oh the Lord made a loser so a winner could win

And thatâ€™s the slot he put me in

Yes what can a loser do?

Oh everybody wins some times

Yes everybody wins some times

Well when my time comes I'm gonna bar that door

Ainâ€™t gonna let my good luck loose no more

Yes everybody wins

Some times

Oh when I've lost my last round

Yes when I've lost my last round

Oh the cradle wood and coffin wood theyâ€™re all the same to me

Theyâ€™re both carved out of that same pine tree

Yes when I've lost my last round

Losinâ€™ is an easy game

Yes losinâ€™ is an easy game

Oh itâ€™s so easy to fall and itâ€™s so hard to climb

Pretty soon youâ€™re fallinâ€™ all of the time

Yes losinâ€™ is an easy game
