

What One Man Can Do

John Denver

I suppose that there are those who'll say he had it easy
Had it made in fact before he'd ever begun
But they don't know the things I know, I was always with him
It may sound strange, we were more than friends
It's hard to tell the truth, when no one wants to listen
When no one really cares what's going on
And it's hard to stand alone, when you need someone beside you
Your spirit, your faith must be strong
What one man can do is dream, what one man can do is love
What one man can do is change the world and make it young again
Here you see what one man can do
As shaded as his eyes might be, that's how bright his mind is
That's how strong his love for you and me
A friend to all the universe, grandfather of the future
Everything that I would like to be
What one man can do is dream, what one man can do is love
What one man can do is change the world and make it new again
Here you see what one man can do
What one man can do is dream, what one man can do is love
What one man can do is change the world and make it work again
Here you see what one man can do
