Rut & Nuzzle

Snowblink

What'd you grow those antlers for?
What'd you grow those antlers for?

Some days we fight them.
Some days we fell them.

Held tight as a weathervane rooting a rooftile
or let loose as a leaf from a pile.

Some days we fight them.
Some days we fell them.

Held tight as a weathervane rooting a rooftile
or let loose as a leaf from a pile.

Some days we wear them to survive.
Some days we fell them and thrive.
