

# Stairway to the Stars

Bill Evans & Jim Hall

Let's build a stairway to the stars  
And climb that stairway to the stars  
With love beside us to fill the night with a song  
We'll hear the sound of violins  
Way out yonder where the blue begins  
The moon will guide us as we go drifting along  
Can't we sail away on a lazy daisy petal  
Over the rim of the hill?  
Can't we sail away on a little dream  
And settle high on the crest of a thrill?  
Let's build a stairway to the stars  
A lovely stairway to the stars  
It would be heaven to climb to heaven with you  
Can't we sail away on a lazy daisy petal  
Over the rim of the hill?  
Well, can't we sail away on a little dream  
And settle high on the crest of a thrill?  
Let's build a stairway to the stars  
And climb that stairway to the stars  
It would be heaven to climb to that heaven with you
