

Taste of Freedom

The PB Underground

Go ahead and leave me, Iâ€™m not bothered any more.
You just made it easy, let me help you with the door.
Pure satisfaction, is plastered on my face.
And your reaction, leads me to a better day. (Yeah)

Two doors open, one door closed.
Iâ€™m as happy as can be, yeah
Doing fine now, on my own,
Yeah.

Oh oh, now your gone away thereâ€™s no regrets
So keep on walking. (Yeah)
Oh oh, delete you out my phone and out my head.
My taste of freedom.

I got my bounce back.
Yeah, and my headaches disappeared
I love the silence, no more drama in my ear. (No)
This separation has lifted me again.
A celebration, of the things that lie ahead. (Oh)

Two doors open, one door closed.
Iâ€™m as happy as can be girl.
Doing fine now, on my own,
Yeah. (Now that Iâ€™m set free, oh)

Oh oh, now your gone away thereâ€™s no regrets
So keep on walking.
Oh oh, delete you out my phone and out my head.
My taste of freedom

Oh oh, now your gone away thereâ€™s no regrets
(Now your gone away girl, Iâ€™m as happy as can be)
Oh oh, delete you out my phone and out my head.
My taste of freedom

Now your out my life, I can finally see the sun.
Look to a brighter day, cause the best is yet to come.

Oh Oh

Oh oh, now your gone away thereâ€™s no regrets
(Now your gone away thereâ€™s no regrets, no no no)
Oh oh, delete you out my phone and out my head.
My taste of freedom

Oh oh, ow ow, yeah, my taste of freedom
(Go ahead and leave me, Iâ€™m not bothered any more)
Oh oh, ow ow, yeah, my taste of freedom
(I got my bounce back, keep walking through the door)
Oh oh, ow ow, yeah, my taste of freedom
(This is a celebration, this is a jubilation)
Oh oh, ow ow, yeah, my taste of freedom
(Take it off right here, oh oh oh)
