

Pressure

Criminal

Rising up
Tearing down
What you areThreatening
Never seen
All aroundEvery face
Every eye
Watching youWeakening
Grip of pain
Won't let goAll that you see
All that you hear
All that you feel
All that you fearPressure [x6]Paranoid
Self destroyed
Sickened mindBurning up
Torn to shreds
From insideDesperate
Cannot stand
The distressHelpless
Hopeless
LifelessAll that you see
All that you hear
All that you feel
All that you fearPressure [x6]
