Rise Up

Infected Mushroom & Savant

You gotta rise up, you've got a second chance to dance
You gotta rise up, oh it's ever sweet, movin' your feet
You gotta rise up, show 'em how we roll, on the dance floor
You gotta rise up, like a phoenix through the fireYou gotta rise up You've gotta rise up, that's how you get on top, that's how you'll
stay on top
You've gotta rise up, when they eliminate, you've gotta levitate
You've gotta rise up, when they give you pain, you've gotta up the gameYou've gotta rise up, like a phoenix through the motherfucking flames
